

ADVS Assessment [2019-2020]

Emphasis: Equine Science and Management

Disciplinary Knowledge [DK]: Learning Outcome [LO] #5

Semester/Course: Fall 2019: ADSV 5190: Equine Business Management

Artifact: Final Project

The Equine Business Management Final Project is an assessment of DKLO #5. The assessment measures the student's ability to integrate knowledge from the various disciplines to effectively conduct equine operations by creating a business portfolio for a hypothetical equine business operation.

5. Integrate knowledge form the various disciplines to effectively conduct equine operations.
