

ADVS Assessment [2019-2020]

Emphasis: Equine Science and Management

Skills & Career Competencies [SCC]: Learning Outcome [LO] #1

Semester/Course: Fall 2019: ADSV 2190: Horse Production

Artifact: Discussion-Diving Deeper into Equine History

The Discussion-Diving Deeper into Equine History is an assessment of SCC LO #1. This assessment measures the student's ability to explain reading materials appropriate to course levels by having students find a popular news article, research paper, podcast, or video that dives into the history of various equine breeds, colors, marking, and/or evolutionary processes.

1. Explain reading materials appropriate to course levels.
